### PROFILE

**Professional Musician with 25 years of experience as a Jazz Vocalist — Clubs, Restaurants, Wine Bars, Arts Centers, Jazz Festivals, Corporate Events, Weddings, Private Parties, Fundraisers, Galas — and 12 years of experience as a Private Jazz Vocal Instructor.** Teach private classes, workshops, and clinics. Help students to increase vocal range and achieve good vocal production: Demonstrate breath control, correct breathing, and proper posture. Instruct students in music theory fundamentals, phrasing and scatting, jazz forms, and jazz styles. Assign and lead listening exercises. Show students how to do the following: choose a song appropriate for their vocal range and style, use jazz lingo, create a lead sheet, organize a gig book, get a gig, lead and communicate with a rhythm section, “sit in” on a gig, and other practical tools. Individual students receive my full attention, personalized to their needs.

## SELECTED PRESS

*"Her new album 'You're My Thrill' is exactly what you'd expect from a consummate pro here in Chicago. The sidemen are a who's who of top-notch players in town and the arrangements are refreshingly well thought out. There's a lot to like here, from a rather grooving take on "You're My Thrill" to a really nice run through of "I Was Doing All Right."*

– **WDCB Jazz Radio**, December 2014

*"Dame has risen to the top ranks of Chicago jazz singers. She possesses all the musicality you could want in a true jazz vocalist – centered intonation, an enviable command of rhythm and a translucent but powerful instrument."*

– Neil Tesser, *Grammar* award-winning critic and author, **The Playboy Guide to Jazz**, November 2014

*"Jazz dynamo Dame continues to be a gem in the city's vocal jazz scene."*

– **TimeOut Chicago**, October 2009

*"From the start, it was apparent that Dame offered optimism, enthusiasm, and joy for both her partners and the jazz standards they played together. This musical attitude was just as appealing as her considerable vocal and flute-playing skills."*

– **Chicago Jazz Magazine**, July/August 2009

*"Elaine simply radiates from the stage, with an obvious passion for what she does and, more importantly, an openly expressed enjoyment of the very nature of the process. She is one of a rare group of singers who treats her instrument as just that, and so is able to perform with her band instead of just in front of them. Plus, there really may not be a nicer person on any stage in Chicago."*

– Keith Douglas, *Managing Director*, **Rainbow Room**, November 2015

*"Dame's first CD is very smooth and stylish. Every track is note perfect...an intimate, personal style... [!] Interpretation is clearly her forte; she shapes a song like she's been doing it for years... Dame delivers the perfect twists and turns on every phrase, swinging from a whisper to a husky wail with confidence and panache."*

– **JazzReview.com**, 2005

*"A winning stage presence and a chameleon-like vocal flexibility."*

– **The Chicago Reader**, November 1996

*"A clear and powerful voice along with the ability to improvise with subtlety...an excellent scat singer...beautiful tone."*  
– Scott Yanow, **All Music Guide**, July 1995
